SERVICE & FEE:

Snow plowing begins with 2" of snowfall at \$115.00 an hour per equipment item, with a 4 hour minimum charge of \$460.00.

Minimum equipment shown up on job site:
1 truck w/ 9ft. 2" V Blade

Additional equipment may be used and billed per equipment item.

GUIDELINES:

Contractor will provide its own employees, equipment and supplies necessary to complete the services described which includes clearing all drive lanes and/or parking areas.

Contractor will begin plowing at the property as soon as the snow reaches a depth of 2 inches, regardless of the time of day or night or the day of the week.

Contractor will not plow within 3 feet from any parked vehicles, equipment or other obstructions in parking lots, drives or other areas being cleared. Please attempt to move obstructions prior to our services being completed. Contractor is not liable for damage to pavement or other surfaces contracted for plowing of snow. Damage can occur but we will make every effort to avoid this. Depressed areas in pavement may accumulate snow that may not be able to be removed as well as snow that has been packed down by vehicle or foot traffic, contractor is not responsible for these accumulations that cannot be removed but will do our best to remove them.

Removal of snow piles is not available through Contractor; please contact a snow removal contractor for this.

Remember, icy or slippery conditions may exist even after work is completed. Contractor is not responsible however, for any death, injury, loss or damage of or to persons or property by reason of non-performance of our obligations in our agreement.
